WORK EXPERIENCE

Twin Owl Digital

Owner & Front End Developer

Aug. 2018 – Sept. 2019

Estes Park, CO

- Created a one-stop-shop for older business owners in the area using GoDaddy and WordPress.
- Used HTML/CSS to make tweaks WordPress couldn't customize.
- Put a development plan together for clients to solve their biggest problems, and then deliver on time.

EDUCATION

Front Range Community College

General Studies-unfinished

2015-2017

Fort Collins, CO

Rocky Mountain High School

High School Diploma

Mar. 2013

Fort Collins, CO

PROJECTS

- **Eagle Plume's** (eagle-plumes.com): **Oct. 2018**
Main client I was the lead on had a 15 year old website. Within 8 weeks, I had built a working WordPress site fit with an eCommerce plugin and custom code. To this day she has 0 problems with the site and is in full control of everything.
- **Marry Me in CO** (marrymeinco.com): **Mar. 2019**
This project I was support, not the lead, my main job for this one was to guide my partner through the builder and create viable solutions with my own code.
- **Twin Owl Digital** (twinowldigital.com): **Jan. 2018**
I created this simple portfolio website to have an easier time reaching potential clients and to show what I can do.
